

**Nashua School District
English Learner Department
141 Ledge Street
Nashua, NH 03060**

January 3, 2025

Dear Parent or Guardian,

Each year, Nashua students in the English language learner (ELL) program take the ACCESS for ELLs language proficiency test. The test measures academic English language proficiency for students learning English in our school and throughout our state. Student progress will be measured in the areas of listening, speaking, reading, and writing. English Learners in Nashua School District will complete ACCESS testing between January 27th and March 21st. We will receive the results in late May and a copy will be sent home.

Teachers in our school use this information to help them make decisions about instruction for your child. Teachers also use these test scores to monitor the progress your child makes toward English proficiency. Please contact me if you have questions about the ACCESS for ELLs test.
